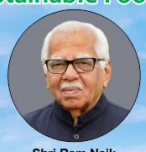
2016 ICPASN International Congress on Post-Harvest Technologies of Agricultural Produce for Sustainable Food and Nutritional Security

Under the Patronage of

Shri Akhilesh Yadav
Hon'ble Chief Minister
Govt. of Uttar Pradesh



Shri Ram Naik
Hon'ble Governor
Uttar Pradesh

10th -12th Nov. 2016
Venue- IIAST, Integral University, Lucknow- 226 026

Eminent Speakers

Dr. Charles Lindsay Wilson
Founder/Chairman & CEO
World Food Preservation Center, USA

Dr. Randolph Beaudry
Professor & Graduate Programme Director,
Michigan State University, USA

Dr. Arun Goyal
President & CEO, Indo-US
FREEE, USA

Dr. Yang Rui Li
Director, Sugarcane Research Center
of CAAS, Nanning, P.R. China

Prof. Li-Tao Yang
SRI, Guangxi University
P.R. China

Dr. Nguyen Thanh Nghi
Director, Center for Agricultural Energy
and Machinery, Nong Lam University,
Vietnam

Dr. Jun Acedo
AVRDC-Regional Station, South Asia

Dr. Rajendra Kumar
DG, UPCAR, President UPAAS
Organizing Chairman
International Congress

Prof. S.W. Akhtar
VC, Integral University
& Patron, ICPASN-2016

India is the largest producer of pulses, tea, milk, meat, etc. and second largest producer of wheat, rice, groundnut, fruits and vegetables including potatoes in the world. Post harvest losses are the major problems in our country. Use of appropriate post harvest technology reduces the post harvest and storage losses; adds value to the product, generates employment in village and reestablishes agro-industries in rural sector. Presently, the farmers sell their products without processing. Although reduction of post-harvest losses represents a large business opportunity and potential for economic benefit, it is a research and development area which has received limited attention, till date.

Taking these initiatives forward, UP Council of Agricultural Research (UPCAR), Lucknow and Integral Institute of Agricultural Science and Technology (IIAST), Integral University, Lucknow in collaboration with other renowned institutions has decided to organize an "International Congress on Post-harvest Technologies of Agricultural Produce for Sustainable Food and Nutritional Security" on 10-12 November, 2016 at Integral Institute of Agricultural Science and Technology (IIAST), Integral University, Lucknow.

ORGANIZERS

Call for Papers

The extended abstracts based on original researches/reviews/success stories/etc may be submitted through e-mail or CD formatting on MS word (line spacing 1.5, font Times New Roman-12 Points), with 4 cm left and 2.5 cm right, top and bottom margins. The abstract must not exceeding 300 words should have the title in (capital letters and bold Times New Roman, font size 16 pt, followed by the name of the author (s) and full address including the email ID of the author authorized for correspondence in 14 points, bold.

Selected best papers may be published in reputed NAAS rated Journals after Peer Review like Indian Journal of Agricultural Biochemistry, Research Journal of Biotechnology, Research Journal of Chemistry & Environment, Annals of Horticulture, Progressive Agriculture, Plant Archives, VEGETOS, Sugartech

Oral Presentation

Among the accepted abstracts/few papers based on merit and importance will be selected for oral presentation in technical sessions of concerned thematic area. It will be greatly appreciated if the potential and interested platform speakers could send the full length papers along with abstract latest by 23 October, 2016.

Poster Presentation

The authors of other accepted abstracts will be provided an opportunity to present their papers in the poster session concurrent to the concerned sessions on the given time. All posters should be in English. Size should be 84.1 x 118.4 cm in portrait format (not landscape). It should represent the abstract in visual way. Title of the abstract should be used in the poster without any deviation. Include the name of author(s)/organization and contact information. Two best poster presentations of each session of the congress will be awarded. The last date of receiving abstracts is 23 October, 2016.

Registration

- Online Registration : Kindly visit the Congress website icpasn2016.iul.ac.in
- Offline Registration : Kindly send the duly filled registration form attached with final circular along with registration fees to the official address of Secretariat - 2

Registration Fee	Before 23/10/2016	After 23/10/2016
Teachers/Scientists/Officers	Rs. 5,000/	Rs. 8,000/
Students*	Rs. 2,000/	Rs. 4,000/
UPAAS Life Time Members	Rs. 2,500/	Rs. 5,000/
Private Organizations	Rs. 6,000/	Rs. 10,000/
Teachers/Scientists/Officers (IU)	Rs. 2,500/	Rs. 4,000/
Students* (IU)	Rs. 1,000/	Rs. 2,000/
Foreign Delegates/Scientists	USD 500	USD 600

*Students will have to provide a copy of a valid student ID from the institution where he/she is enrolled

Eminent Speakers

Dr. T. Mohapatra
DG, ICAR & Secretary, DARE

Dr. Gurbachan Singh
Chairman, ASRB

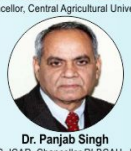
Padma Bhushan M.S. Swaminathan
Patron-in-Chief, ICPASN - 2016

Padma Bhushan Dr. V.L. Chopra
Ex-Secty. DARE & Ex-DG ICAR

Padma Bhushan Dr. R.S. Paroda
Ex-Secty. DARE & Ex-DG ICAR

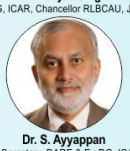
Padma Bhushan Dr. R.B. Singh
Chancellor, Central Agricultural University

Padma Bhushan Dr. M. Mahadevappa
Ex-Chairman, ASRB



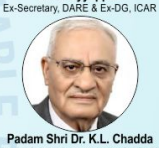
Dr. Panjab Singh
Ex-DG, ICAR, Chancellor RLBCAU, Jhansi

Dr. Mangala Rai
Ex-DG, ICAR & VC, GBPUAT

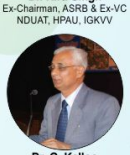


Dr. S. Ayyappan
Ex-Secretary, DARE & Ex-DG, ICAR

Dr. Kirti Singh
Ex-Chairman, ASRB & Ex-VC
NDUAT, HPAU, IGKVV



Padam Shri Dr. K.L. Chadda
Ex-DDG (Hort.), National Prof. (ICAR)



Dr. G. Kalloo
Ex-VC, JNKVV, Jabalpur, ADG, ICAR

Dr. H.S. Gupta
Ex-DG, Borlaug Institute for South Asia

Post Harvest Expo-2016

The exhibition in the Congress will have a focused trade show for showcasing the latest Post harvest technologies in agricultural sector. As an exhibitor, you will enjoy the liberty of prime exposure and direct marketing opportunities with key global stakeholders.

Booth size	Rate
9' X 9'	Rs. 15,000/
18' X 9'	Rs. 20,000/
27' X 9'	Rs. 25,000/

Thematic Areas

1. Emerging post-harvest technologies of agricultural produce (cereals, pulses, oilseeds, sugarcane, horticultural crops including potatoes, livestock, dairy, poultry, fisheries, etc.).
2. Recent advances in post harvest technologies.
3. Technological interventions for waste management.
4. Process engineering and energy management.
5. Safety and quality QW management/assurance for domestic and export markets.
6. Capacity building and entrepreneurship development for rural prosperity.
7. Constraints in the context of governance, socio-economic and climate change conditions.
8. Technological gaps and thrust areas of research and extension/development.
9. Policy issues and strategies.
10. Case studies, success stories-experiences and lessons learned.
