GOVERNMENT OF INDIA

11th November, 2016

MESSAGE

It is heartening to learn about the jointly organized event by Uttar Pradesh Council of Agricultural Research (UPCAR), Lucknow and Integral Institute of Agricultural Science and Technology (IIAST), Integral University, Lucknow to be held on 10th-12th November, 2016 at Integral University, Lucknow.

The theme of the Congress "Post-Harvest Technologies of Agricultural Produce for Sustainable Food and Nutritional Security" itself seems to be very apt with an increase in food demand being witnessed with the rising global population. The deliberations by delegations attending the Congress are expected to contribute towards betterment of Post-Harvest Technologies of Agricultural Produce for Sustainable Food and Nutritional Security and thus will directly help our people working on farms.

It is a moment of pleasure to convey my congratulations from the depth of my heart to all the participants, delegates and the management and I wish them all a grand success for their cause.
