MESSAGE

I am very happy to know that the Uttar Pradesh Council of Agricultural Research (UPCAR), Lucknow and Integral Institute of Agricultural Science and Technology (IIAST), Integral University, Lucknow, are jointly organizing an **"International Congress on Post-Harvest Technologies of Agricultural Produce for Sustainable Food and Nutritional Security"** on November 10-12, 2016 at Integral University, Lucknow.

The desire for the propagation and communication of post harvest technologies at the ground level to meet the nutritional demand of the rising population is the need of the hour in today's scenario in order to provide food to the growing population. I am sure and confident that this Congress will serve the interest of scientists, progressive farmers, agro-industries all over the globe.

I wish the **Congress** a grand success.
